

O BAR & DINING PRIVATE EVENTS

EVENTS ON ANOTHER LEVEL

Are you looking for a place with sheer 'wow' factor for your next event? Welcome to O Bar and Dining, where eating, drinking and beautiful views combine for the ultimate event experience. Our circular room on the 47th floor turns constantly to reveal ever-unfolding, 360-degree views; featuring a central lobby bar, lower level revolving lounge bar, restaurant, private dining room and semi-private space.

AN UNEXPECTED FOOD JOURNEY

Drawing inspiration from the healthy eating philosophy in chef/owner Michael Moore's best selling cookbook series Blood Sugar, our menus are an unexpected journey of contemporary dining; bringing another adventure right to your table. Michael's international pedigree and passion for produce, flavour and technique drive a food philosophy that combines healthy influences with the best of fine dining.
